

MACKELLAR
PRIMARY SCHOOL

Visitors Policy

Purpose

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Mackellar Primary School.

Scope

This policy outlines our school's arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8:30am to 4:30pm, and when the office is staffed to monitor/receive visitors at reception, including parents and contractors. Outside of these times, our front office is not staffed, and this policy does not apply.

Definitions

Child-related work: As defined by the *Worker Screening Act 2020 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

Mackellar Primary School strives to create an open and inclusive school community and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

For Working with Children (WWC) Clearance and other suitability check requirements relating to parents/carers and other volunteers working with students, please see our Volunteers Policy.

All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Clearance. Additionally suitability checks may also be required such as reference, proof of identity, qualification and work history involving children checks.

In some circumstances, visitors to Mackellar Primary School who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance depending on the particular circumstances of their visit. For example, Mackellar Primary School will require a valid WWC Clearance for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties
- **visitors (e.g., contractors)**, who will regularly be performing unsupervised work at the school during school hours or any other time where children are present. Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g., a visiting auditor who will be located at the front office with administration staff) or who will be supervised and accompanied by a staff member during

their visit (e.g., a Member of Parliament, a journalist, a prospective parent on a school tour) will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check, but may be asked to verify that they are sworn officers by providing proof of identification.

Parent visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick-ups and drop offs or for specific school events (e.g., parent teacher interviews, concerts, assemblies etc), are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school. Our school manages and maintains procedures for parents/carers restricted from attending the school by providing office staff with a list of restricted parents/carers which may include identifying photographs and any other information as required, depending on the level of risk posed.

Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure
