## P-6 Camping Program

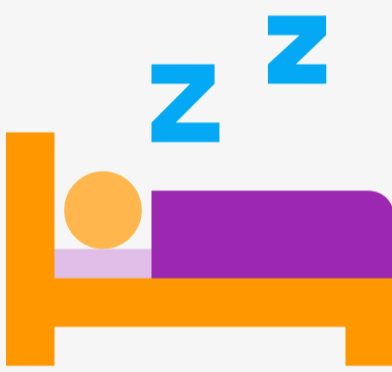

All of our camping experiences are voluntary and require parental consent

In grade prep, students have the opportunity to come dressed in their PJs and have breakfast at school.

During grade one, students stay late for a games night and dinner at school.

During their grade 2 year, students have the opportunity for an overnight sleepover here at school.

SLEEPOVER AT SCHOOL AND BREAKFAST IN THE MORNING

These three events all occur at the same time to build relationships amongst the junior students

During even years, grade three and four students have the opportunity to go on a 3 day/2 night bush camp.

During odd years, grade 5 and 6 students have the opportunity to go on a 4 day/3 night seaside camp to Phillip Island.

These events will commence from 2024. Information and consent for each event will be sent home well beforehand.
